

Basic - ADA Accessible UltraLeisure Rectangular Portable Table

MSRP \$1,232.00

SALE \$1,048.00

Highlights:

- Single overhang has 24-inches of clearance
- Offers convenience for wheelchair seating
- Both lengths provide copious space for food
- Tough powder coat painted galvanized steel frame

Everyone deserves to have a seat at the table, and the ADA Accessible UltraLeisure Rectangular Portable Table is here to offer a spot for anyone. This is because it has an overhang on one side of the table which allows people in wheelchairs to come right up to the ends of the table to sit comfortably. This is in addition to having two elongated rectangular seats that run parallel to the long sides of the table that allow ample room for multiple people to sit comfortably. The clever design of the table is incredibly robust with a 2-3/8-inch frame that supports the expanded metal tabletop and seats while still being able to be lightweight and easy to move from one place to another with minimal effort. Several different thermoplastic (for tabletop and seats) and powder coat (for the frame) color options are available for you to choose from as you complete your order.
